

THE CLEANING MACHINE[®] BY Koblenz

The true commercial standard of performance and durability.

- Pig tailed line cord plus 35" and 50" grounded line cord.
- Powerful energy efficient 7.0 and 8.0 Amp. motor with twin ball bearings.
- Lightweight.
- 5 year warranty on all-metal aluminum chassis.
- 2 year warranty on fan, yoke and on-off switch.
- No tools required to access belt and brush roll.
- Dust cup, permanent and disposable bags available.
- 16 in. models improve productivity 33%.

RUGGED ALL METAL CONSTRUCTION

Unique die cast aluminum chassis for longer life.

- The 125, 138 and 145 CFM open fan design eliminates the risk of motor burnouts.
- Rugged twin ball bearing construction for longer brush roll life.
- Dynamically balanced ultra tough lexan fan.
- Resistant chromed or acrylic coated steel hood.

SUPERIOR CLEANING PERFORMANCE-FAST DEEP CLEANING

Top fill bag offers better air flow and more efficient cleaning.

- Long wearing warp free hardwood 12" or 16" brush roll.
- Double helical Dupont nylon bristles arranged to efficiently pick up difficult objects like hair and string.
- Edge cleaning on both sides gets tough dirt along baseboards.
- Variable height adjustment for any carpet.
- Ideal for cleaning hotels, restaurants, offices and much more.

EASY TO OPERATE

The convenient dust cup is transparent and easy to empty.

*Only for DC models.

- Lightweight.
- Easy access disposable bag assembly with zippered outer cloth bag (only "Z" models).
- Non marking bumper guard protects furniture and walls.
- Large wide rear wheels for easy maneuverability.
- 35' or 50' grounded safety yellow line cord.
- On-off switch activated by lowering handle into operating position.

SIMPLE MAINTENANCE

Easy access to belt, brush roll, fan and fan chamber without the use of tools.

- Removable base plate. No tools needed for quick service.
- Motor can be replaced by removing only 4 screws.
- No tools required to access belt and brush roll for quick servicing.
- Dust cup, permanent cloth bag or disposable paper bag to suit your needs.
- Pig tailed line cord make cords easy to replace.
- Low cost service.
